GrubberGamer's Thank You Gets!

Thanks to the crew and families of the Mario Marathon, for all of your hard work, sacrifice and dedication. Whether your contribution is video game player, programmer, social stream reader, donation shoutout-er, singer, dancer, networker, babysitter, food gopher, prize crafter, e-mail monitor, entertainer, drywaller, fan art approver, chat moderator, fail counter, stat tracker, barrel roller, prop builder, mother, father, kidder, or multi-tasker - thank you! You guys and gals seriously rock.

Thanks to Penny Arcade, for creating something all gamers can be proud of. **Child's Play Charity** is truly a charity of awesome.

Thanks to Nintendo, for creating one of the best video game franchises of all time. It doesn't get much better than Mario.

I'd like to thank my wonderfully supportive family unit. **Mrs. GrubberGamer**, for looking the other way while piranha plants invaded the front yard. **Tiffany**, for your suggestions and for proofing all these puzzles, sometimes many times over. And **Raistlin**, for making your Mario Marathon wristband a part of your daily fashion statement.

Thanks to @atlur - Mario Marathon 5 t-shirt design winner - and the MarioMarathon.com web design staff, for the amazing art assets I used when putting together the covers of this book. I doubt I would have had this project finished in time, otherwise - thank you tons.

A special thanks to Chris Bieniek. This book wouldn't exist if not for Chris' creativity, when he originally introduced this pencil puzzle concept in **Tips & Tricks magazine**. Tiffany and I always looked forward to the next T&T - thank you, Chris, for the many years of puzzling entertainment!

A special thanks to Brian and Shanna, for letting everyone visit your home again this year, both in front of the camera and via the interwebs.

Last, but certainly not least, **thanks to all of the viewers and supporters of the Mario Marathon - yourself included**! Your support and donations make the Mario Marathon a success each year - thank you!
